A home occupation shall not include repairs to motor vehicles as defined in Massachusetts General Laws, Chapter 90, Section 1, as amended.

**EXAMPLES OF HOME OCCUPATIONS ALLOWED** Examples of typical businesses which would be allowed by Home Occupation Permits might include typing or drafting services, consulting businesses, landscape maintenance, janitorial services and contractor businesses where the business is conducted elsewhere and all equipment is either stored off-site and/or in a vehicle which is to be stored in the garage at the residence. Businesses such as jewelry making are allowed if the jewelry is sold off-site (i.e. flea market, retail store, etc.). Home Occupations also include those businesses in which only a telephone and mail services are used. Additionally, all business licenses must be issued to physical addresses only; a P.O. Box may be used, however, it may not be used as a substitution for a physical business address in order to bypass the Home Occupation Permit process.
